

## COVID 19 UPDATE

### DO YOU WANT TO MAKE A WILL?

#### WE ARE STILL OPEN AND HERE TO HELP

Are you concerned because you have a partner and have not made provision for them? Do you have young children and have not yet appointed any guardians? Do you have immediate family who you would not want to inherit if you died intestate i.e. without a valid Will?

We realise these are very worrying times and that you may be concerned because you do not have a Will or that your current Will is out of date

If you are anxious to get something in place, we can help. Our Private Client team is still working efficiently and at full capacity. Whilst we are presently unable to take instructions face to face we can easily talk to you over the telephone or by Skype or Whatsapp. If you are self-isolating we can still take your instructions and can make arrangements for your Will to be properly witnessed.

Given that the situation is changing on a daily basis, it may be advisable to put a simple Will in place at this time, which you can then review more fully once the crisis is over. Our fee for a basic Will for a single person is £175 plus vat and for a couple £300 plus vat.
